

The screenshot displays the Chrome Extensions management interface. At the top, there is a search bar for extensions and a 'Developer mode' toggle which is currently turned on. Below the search bar are three buttons: 'Load unpacked', 'Pack extension', and 'Update'. A left sidebar contains 'My extensions' (selected), 'Keyboard shortcuts', and a link to 'Discover more extensions and themes on the Chrome Web Store'. The main area, titled 'All extensions', shows a grid of four extension cards. Each card includes an icon, the extension name and version, a brief description, the extension ID, and a link to inspect views. At the bottom of each card are buttons for 'Details', 'Remove', and 'Errors' (where applicable), along with a refresh icon and a toggle switch.

| Extension Name | Version | Description | ID | Inspect Views | Details | Remove | Errors | Refresh | Toggle |
|---|---------------|---|----------------------------------|---|---------|--------|--------|---------|--------|
